

## Privacy Policy for Dash Right

Effective Date: 02. November 2024

We, Dash Right (referred to as "we," "us," or "our"), respect your privacy and are committed to protecting your personal data. This Privacy Policy explains how we collect, use, and protect your data when you use our Android game app Dash Right (referred to as the "Game").

### 1. Company Information

Company Name: Dash Right Address: Riggisbergstrasse 18, Rümligen 3128, Switzerland

Contact Details: Alim Mustafoski, peanut\_dev@hotmail.com

### 2. Game Information

Dash Right is an infinite runner game with obstacles to overcome. The player controls the character by tapping on the screen to move right. To move left, the screen needs to be tapped three times. The game falls under the categories of infinite running, puzzle, and action.

### 3. Data Collection

Our game does not collect any data. However, we use Google AdMob for displaying ads. Please note that Google may collect data when displaying ads in the game. For more information, refer to Google's Privacy Policy.

### 4. Use of Collected Data

Since we do not collect any data, we do not use any data. Any usage of data is done solely by Google according to its own privacy policies.

### 5. Data Disclosure

We do not share any data as we do not collect any data.

### 6. Data Security

As we do not collect any data, there is no threat to data security.

### 7. Children's Privacy

The game is designed for users aged 13 and above. To protect children, sensitive ads are disabled.

### 8. Changes to the Privacy Policy

As we do not have user data, we have no means to notify users about changes to the Privacy Policy, except by addressing them to check the Privacy Policy in the Play Store.
